IRS Form W-9 Additional Information

The Municipal Housing Authority for the City of Yonkers is informing you of some additional information regarding *IRS Form W-9* and is requesting some additional information to better serve you.

1. According to IRS regulations, a correct Taxpayer Identification Number (TIN) is the number that is associated with the name listed as the vendor. Therefore, if you are using a personal Social Security Number, the name of the person associated with that number should appear in the Name section of form W-9. If you are using an Employer Identification Number, the exact name of the firm, company, etc. associated with that number should appear in the Business Name section of form W-9.
2. All further correspondence, including checks, will be mailed to the name and address listed on form W-9. Therefore, please be certain that the name and address are **EXACTLY** as you want them to appear. If this is a P.O. BOX, please provide an actual street address for our records.
